About photographer

LIVE *Boldly.*
PUSH YOURSELF.
DON'T SETTLE.

First and foremost, in my life I'm a happy husband and father of two lovely kids. Secondly, I'm a pro photographer with 20 years of work experience, and a proud member of AIPP (Australian Institute of Professional Photography) and WPPI (Wedding and Portrait Photographers International).

I value every second of our life, each of which is unrepeatable. Photography - it's like a time machine recalling our happiest moments from our past. Don't let them fade away, trust my experience and magical point of view to capture those important moments. Achieving your goals, be active, be a part of the team - I will capture this for you. I'm full time photographer working also on weddings, portraits and commercial/corporate photography/videography projects.

Life is fabulous so SMILE and Feel Good!!!
Yours truly,
Arek - Melbourne based sport Photographer
